Patient: _____ Breed: _____ Sex: ___ Age: ___ Wt: _____

Contact Name: _____

Contact Number/s: _____

Surgical Procedure: _____

Has your pet eaten this morning (please circle): YES/NO

General Anaesthetic required (please circle): YES/NO

If yes, I understand that with all general anaesthesia there is risk involved and possible complications can occur. In the event of an emergency or complication during his/her anaesthetic, I request and authorise Balmain Veterinary Hospital to attempt resuscitation. I understand that in doing so, I will incur a cost for both time and medication. The cost to resuscitate your pet will vary between \$80.00 - \$300.00 if required.

Pre-Anaesthetic blood testing \$109.00 (please circle): YES/NO

Anaesthetic complications may be reduced if prior knowledge of the animal's internal health is assessed through blood testing before the procedure. We strongly recommend this test for animals over 7 years of age.

Other procedures required: _____

- Vaccination Heartworm Injections Flea + Worming Ear Clean
 Microchipping Express Anal Glands Nail Trim

TOTAL OF ESTIMATE: _____

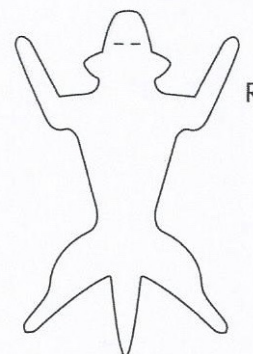

This is NOT a quote – it is an estimate only. Although all attempts are made to accurately assess the extent of potential costs, there may be unforeseen expenses. Every effort will be made to contact you in the event that charges will exceed this estimate by more than 10%. This estimate does not include medications, revisits or complications related to the above procedures.

All accounts must be paid in FULL at the time of treatment or on discharge from the hospital, as the Practice does not issue accounts. If you have any queries please ask BEFORE treatment.

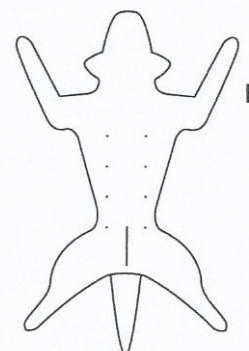

I authorise Balmain Veterinary Hospital to perform the procedures outlined above. I agree to meet the costs of all treatments at the time of discharge.
